Mr. Bob Yeatman gave his report for the month of July. He explained that the public comments had been received and that the OASA was in the process of answering them. The Expansion Committee met twice. They are still waiting on comments from the CCHD and CCPC. After all answers have been completed they will be compiled

and a workgroup meeting will be scheduled. The whole plan will be reviewed once more and then it's up to the Board of Supervisors to adopt a resolution to approve the plan. There was a meeting with DEP because of some misunderstandings. Municipalities wrote letters to DEP stating that they would be able to approve the plan by the end of August; however, West Nottingham never said they could meet that deadline. DEP agreed to delay the final submittal until after West Nottingham's September meeting. After much discussion, Mr. Kepler moved to approve Mr. Yeatman's report. Mr. Cheek seconded the motion. MOTION CARRIED. Mr. Kepler asked the Board to keep August 30th open for a special meeting to adopt the approval of the Act 537 Plan if necessary.

Zoning Hearing – Mr. Kepler explained that for the Zoning Hearing coming up for Mr. Guthrie, the Supervisors have three options: To be in favor of it, oppose it, or say nothing. Mr. Kepler moved to authorize the Secretary to write a letter to the Zoning Hearing Board stating that the Board of Supervisors is in favor of the Guthrie property staying non-conforming commercial as long as the property is kept neat and the disabled cars are kept in the fenced in lot behind the building. Mr. Cheek seconded the motion. MOTION CARRIED.
