About Dogs

Owning a dog is one of the great American pastimes and privileges. Dogs fill the role of a companion, guide, hunter, guardian, herdsman and entertainer. But owning a dog is a major responsibility as well. That responsibility extends not only to proper care and training of you dog, but also to your responsibility for the dog's behavior. A proper understanding of the responsibilities of dog ownership is necessary in today's complex society.

All Dogs over 3 months of age MUST be LICENSED.

ALL DOGS must be UNDER CONTROL. This means that when your dog is not on your property, it must be under the DIRECT CONTROL of you or a handler. The best way to control your dog is with a LEASH. Remember, dogs are PERSONAL PROPERTY. You are RESPONSIBLE for any DAMAGE caused by your dog.

Ignoring Pennsylvania's Rabies Vaccination Law Can Be Costly--In More Ways Than One.

- * The Agriculture Department's Bureau of Dog Enforcement (Cont.)

Law Enforcement conducts random checks to determine if rabies vaccinations are current. Authorities investigating complaints about strays, animals bites and disturbances also check for violations.

- * Owners of dogs and house cats 3 months of age that are not vaccinated or have not received a booster shot at the required time can be fined up to \$300 in magistrate's court.
- * Failure to have a pet vaccinated jeopardizes its life by leaving it vulnerable to exposure to rabid animals -- either wildlife or domestic animals that may have contracted the disease. If your pet gets rabies, it cannot be saved.
- * Unvaccinated pets exposed to positive rabies carriers may be placed under quarantine up to six months in an enclosure to insure there is no contact with other animals or humans.
- * If an unvaccinated pet acquires rabies, it could pass the disease along to you, your family, neighbors or others through bites or scratches. The treatment to prevent rabies from developing in humans is costly, and once rabies develops it is nearly always fatal.

Some Responsibilities of the Bureau of Dog Law Enforcement
